SUPPLEMENTAL

DECISION

This decision is supplemental to the decision mailed 14 August 2006.

On 01 October 2004, applicants filed international application PCT/CH2004/000609 which designated the U.S. and claimed a priority date of 03 October 2003. A copy of the international application was communicated to the United States Patent and Trademark Office (USPTO) from the International Bureau on 14 April 2005. The thirty-month period for paying the basic national fee in the United States expired at midnight on 03 April 2006.

On 08 June 2006, applicants filed a transmittal letter for entry into the national stage in the United States, which was accompanied by, *inter alia*, the basic national fee, a declaration of the inventor, an assertion of small entity status, and a petition under 37 CFR 1.137(b) to revive the application.

On 14 August 2006, a decision was mailed granting applicants' petition under 37 CFR 1.137(b). The decision also indicated that the declaration of inventors filed 08 June 2006 is not in compliance with 37 CFR 1.69(b), specifically applicants have not used one of the pre-approved foreign language forms nor have applicants furnished the requisite statement attesting to the accuracy of the translation, and that either a pre-approved foreign language declaration in compliance with 37 CFR 1.497(a)-(b) or the requisite statement under 37 CFR 1.69(b) that the translation is accurate was required. However, the decision inadvertently failed to indicate the period for response.

Application No.: 10/582,059

-2-

Regarding the declaration, applicants are required to file either a pre-approved foreign language declaration in compliance with 37 CFR 1.497(a)-(b) or the requisite statement under 37 CFR 1.69(b) that the translation is accurate within **TWO (2) MONTHS** from the date of mailing of this supplemental decision. Extensions of time may be obtained under 37 CFR 1.136(a). Failure to timely file a proper reply will result in abandonment of the application.

Please direct further correspondence with respect to this matter to Mail Stop PCT, Commissioner for Patents, Office of PCT Legal Administration, P.O. Box 1450, Alexandria, Virginia 22313-1450, with the contents of the letter marked to the attention of the Office of PCT Legal Administration.
